

Custom Curves

an **SBP** brand
ALEXANDRIA
Moulding

Moulding to Your Lifestyle.

Alexandria Moulding is pleased to offer Flex Trim™ — a versatile solution for curved moulding needs. Whether you're trimming a basic archway or designing intricate moulding build-ups, Flex Trim™ makes it easy to bring your vision to life. Curved windows and arched openings are no longer a challenge.

Flex Trim™ is a flexible polyurethane composite moulding and can be painted or stained. For stain grade applications, ask us about our wood grain options.

Simply take the required measurements, confirm your profile, place your order, and let us handle the rest.

HALF ROUNDS

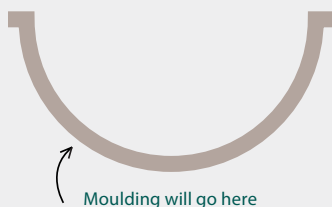

ARCS OR EYEBROWS
